DETAILED ACTION

Allowable Subject Matter

1. Claims 1 thru 10, 12 thru 17, and 19 thru 25 are allowed. The following is an examiner's statement of reasons for allowance: The references of record, either singularly or in combination, do not teach or suggest at least a light emitting die package comprising: a substrate comprising an electrically and thermally conductive material and having a first surface; a thermally conductive, electrically insulating film covering at least a portion of said first surface; a first conductive element on said insulating film, said conductive element insulated from said substrate by said insulating film; a second conductive element on said insulating film, said second conductive element spaced apart from said first conductive element and electrically insulated from said substrate by said insulating film wherein at least one of said first and second conductive elements comprises a mounting pad for mounting a light emitting die thereon.

Regarding claim 25, the following is an examiner's statement of reasons for allowance: The references of record, either singularly or in combination, do not teach or suggest at least a light emitting die package comprising: a metal substrate having a first surface; an electrically insulating film covering at least a portion of said first surface; a first conductive trace on said insulating film, said conductive trace insulated from said substrate by said insulating film; a mounting pad for mounting a light emitting device, said mounting pad electrically connected to said first conductive trace.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
